

Dear Family and Friends,

Did you know that I am a member of one of the most competitive High School Marching bands in the State of Texas?

This Fall, Bastrop High School Marching Band is going to be competing against the top ranking Marching Bands in the Austin Area and the State of Texas

An achievement this grand takes a tremendous amount of hard work and dedication from not only students like myself, but our staff members, and volunteers; like the proverb says, it takes a village.

developing a music program at this level is expensive, this is where I am asking for your support by donating towards our 1st annual March-O-Thon, a 4-hour rehearsal clinic on August 21st, 2021

My fundraising goal is \$_____. Every penny donated goes right into the band program to help cover the costs of travel, food, props, specialized technicians, clinicians, and private lesson teachers, and any other costs to keep the band program affordable to all students that want to participate.

I would love it if you would consider donating. Donating is easy - you can give cash, write a check, or donate online on our website www.bastropband.com

We will be performing for the public on August 21st, 2021 at 8pm, and I would love for you to join us and see first hand what makes our band program one of the top ranking bands in the State!

Thank you in advance for your consideration.
