

Dear Community Friend,

On Saturday, August 21st, 2021 the Bastrop High School Band will host its *First Annual March-O-Thon*. Students will participate in a four-hour non-stop rehearsal, culminating with a free public performance at 8:30pm. Funds raised will support program scholarships for band members in need, and help cover many of the operating costs, which help keep program fees affordable for families. Would you consider making a donation today?

The Bastrop Band has a rich history of musical excellence that includes four straight years of sweepstakes in Marching Band and Varsity Concert Band. The Bastrop Band has performed in the Finals of the Area D marching competition, competing among the best 5A bands in the State of Texas.

"The Bastrop Band is a team whose success through goal and achievement is attributed to its unconditional pride and devotion to the program."

It is through the spirit of putting this mission into action which fuels everything the band members are involved in, from academics, to performances, to ensuring that Bastrop High School has one of the best programs in the state and is available to anyone who is willing to live by that mission.

With cuts in music education and rising costs associated with the program, it is more important than ever that we continue to be successful in our fundraising so that the program is accessible to all who desire the educational and experiential learning opportunities which band can provide the most.

This fall, the Bastrop Band is stepping up their competitive program by competing in the Bands of America Austin Regional! As our program is growing we have a continuing need for instruments, props, private lessons, and supplemental teachers to give our students the education they most certainly deserve.

Our primary goal is to provide all of our students the opportunity to take private lessons and have access to world class experiences in the world of music!

Thank you for your consideration in supporting this talented group of students!
